MEET *Kc Volard*

KC Volard is a self mastery + kundalini guide for visionaries who are **READY** to Rewild their magic + mastery. She is a multidimensional being who is here to teach the rebel souls how to do life + business radically different.

Being a mama of 3 little Goddess beings, a wife and diagnosed with ADHD, KC scaled her business from \$4k months to \$60k months in less than a year. She has since built a million dollar business organically – normalizing having it **ALL** without the sacrifice + hustle.

She is here for the changemakers who want to **FULLY** embody wealth + crack the codes to living a truly abundant life in their **Mind•Body•Frequency** and **Business** - focussing on energy alchemy, somatic embodiment, kundalini, past life exploration + sacred business blueprints.
